

SUPREMA CERTIFIED INTEGRATION

Suprema Plugin for Genetec Security Center

Security Center is a unified security platform. It incorporates access control, video surveillance, automatic license plate recognition (ALPR), communications, and more into a single, intuitive solution.

With a platform that unifies your data, you can manage security policies, run investigations, and pay attention to what matters most. Turn on new capabilities when you need them and choose the devices and add-ons that make sense for you as your system grows.

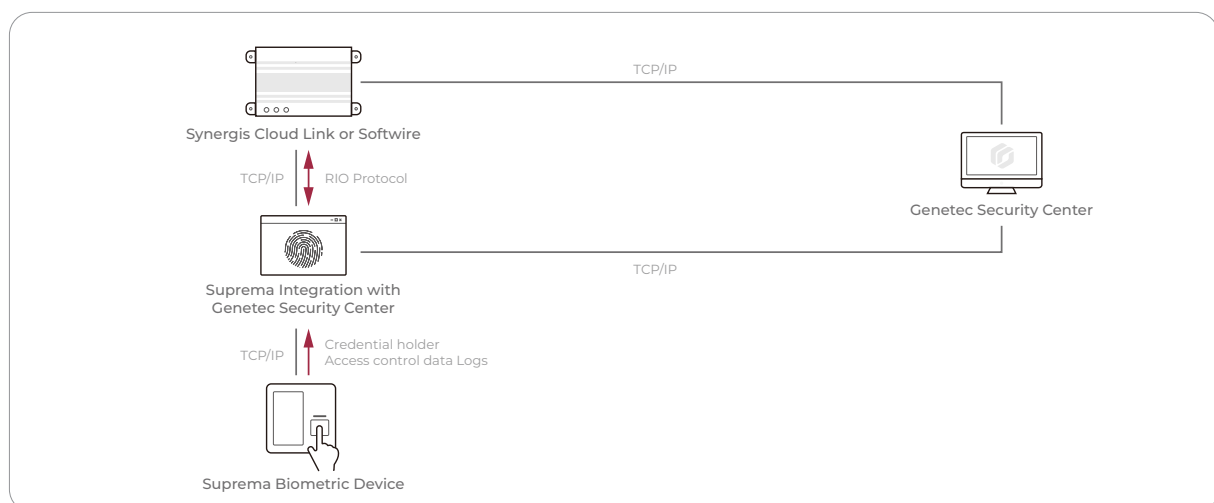

Suprema Plugin for Genetec Security Center

Suprema Integration with Genetec is a Plugin type that acts as part of Genetec Security Center. Which provide seamless process for Suprema device management and biometric enrollment n Genetec Security Center.
